

Brother, do you ride a motorcycle?

Then the Widows Sons Masonic Bikers Association (WSMBA) would like to hear from you!

The members of the Widows Sons of Great Britain invite all MASTER MASONS of good standing to join with other like-minded individuals for ride outs, Easter Egg runs, rallies, charitable fund raising and many other social events.

Membership criteria for full membership is to be a freemason in good standing, hold a full motorcycle licence and own a roadworthy bike that can keep up with the group rides. We have members throughout the country, and within the UK there are several Chapters serving their local Masonic communities.

For further Information, or to join, please email
